

HOW MUCH IS OUTDATED TECHNOLOGY COSTING YOU?

When you hang on to outdated technology, you're compromising operational efficiency, visibility, and productivity—which means you're also compromising your profitability.

Zebra has the solution to:

- Expand real-time business intelligence for better decision-making
- Increase mobility
- Improve access control
- Strengthen supply chain
- Reduce downtime

GO Zebra.

GO Zebra rewards you for making the smart move to more innovative, feature-rich, best-in-class thermal printers. When you trade in your old printer—including competitor's models—and buy a new Zebra® printer, you earn up to \$500 cash back for every qualifying purchase.
